☺ Presented by the Media Center Staff ☺

Attention All Home Owners in Rochelle Park!

⇒ **Are you tired of seeing your property values fall?**

⇒ **Do you want Rochelle Park to be seen as a desirable town to live in?**

Realtor data show that good schools can increase the value of a home by 10 to 15 percent.

Tim Simmers,

“Good Schools Boost Property Values by 10 Percent or More”

San Mateo County Times

(August 19, 2003)

New technology in Midland School is the #1 way to maintain and improve instruction and increase property values.

Maintaining good schools is a key strategy to maintain neighborhood property values.

Kenneth W. Edwards

The Homeseller's Survival Guide

(1995)

Come out for an evening of information and refreshments!

Learn about the technology at Midland School!

Learn about the 5 year technology plan that will keep Midland School in the educational forefront!

April 8, 2008

7:00 p.m.

Media Center

(Program presented by the Midland School Media Center Staff)
